The online application is designed to be completed and processed online. You will need to set up a new *user account with a password*, and then follow the directions to apply for a certificate. You will provide measurement and identification data on your yacht as well as personal information. You may find it easier to take measurement data from your prior CRF certificate, but be sure and double check this information as there may be mistakes from earlier data inputs. Please note that at any time you may save what you have input, and return to the site to complete your application. Also data from all new applications will be saved and the autofill feature will be active for future renewals.

The CRF/Mk2 racing formula will be used for all races. A copy of the boat's rating is required as part of each application so we may assign you to the correct class. **RATINGS ISSUED EARLIER MUST BE RENEWED.**
