

Camden Yacht Club

2021 Sunset Seminar Series

Talks are held Wednesday evenings, 7:00–8:30 pm, **free of charge**, and **open to the public both onsite at the club and online via Vimeo**. Donations are gratefully accepted to benefit the non-profit Camden Area Youth Seamanship Program (CAYSP).

July 7 **Historic One-Design Class Boats of Penobscot Bay**

WEDNESDAY

Alec Brainerd, co-founder of Artisan Boatworks, Rockport, will discuss Penobscot Bay's historic one-design class boats, including stunning photographs of the various classic yachts, historic one-design daysailers that Artisan Boatworks has built and restored over the past 20 years.

July 14 **Compostable Fish Friendly Packaging**

WEDNESDAY

Paramount Planet Product Co-founders **Ariadne Dimoula and Claudia Lowd** will discuss their efforts to replace disposable plastic products with compostable fish-friendly alternatives.

July 21 **Sea Level Rise**

WEDNESDAY

Guido Corno and Hallie Arno will discuss how a rising ocean is affecting the world and especially the Gulf of Maine. Corno, a world-recognized global climate expert, will talk about environmental programs to combat climate change.

July 28 **Cruising the Pacific Northwest**

WEDNESDAY

Randy and Fiona Woods, former CYC members when their home port was Camden Harbor, will speak from somewhere in the Pacific Northwest aboard their Grand Banks Aleutian. Their presentation will feature lively photographic narration of lessons learned, tidal tales and wilderness escapades aboard Jupiter while navigating the Inside and Outside Passages.

August 4 **The Megunticook Watershed**

WEDNESDAY

Camden resident and Select Board Member **Alison McKellar** will discuss the Megunticook Watershed and how the Megunticook river and dams impact Camden Harbor and the river's surrounding ecosystem.

August 11 **ArcticEarth Expeditions**

WEDNESDAY

Come hear filmmaker and sailor **David Conover** share his vision and preparations for ArcticEarth Expeditions, a new 6-year commitment by Compass Light Productions to position a vessel and crew in the new Arctic, extending 30 years of filmmaking work in the Arctic.

August 18 **Rowing the Maine Island Trails**

WEDNESDAY

Doug Welch, executive director of the Maine Island Trail Association will present his film, "To Row and Let Go." Follow Welch as he takes up ocean rowing, builds a boat at the legendary WoodenBoat School, and explores 34 islands on the Maine Island Trail. Q&A to follow.

August 25 **A Visual History of Camden Harbor**

WEDNESDAY

Ken Gross, director of the History Center at the Camden Public Library will present a visual history of Camden Harbor derived from the library's collection. The presentation will employ the earliest charts available as well as photographs from the earliest days of photography, showing the sequence of changes to Camden Harbor as it accommodated the evolving series of industries in Camden.
